Scarico traslato (wc e bidet) Adjustable flush system (wc and bidet)

IT Pensato per agevolare le opere di ristrutturazione dei bagni, permette l'installazione di un nuovo wc mantenendo l'impianto di scarico preesistente. Una brillante soluzione progettuale che ottimizza tempi e costi del restyling, estesa per la collezione Build anche all'elemento bidet.

EN Designed to facilitate the renovation of a new wc without allowing the installation of a new wc without maintaining the existing drainage system. A brilliant project solution that optimizes restyling time and cost, which is extended to the bidet collection including the bidet collection.
